WORK EXPERIENCE

Apr 2023 - Jun 2024 — **Automation developer**
CETIN, Budapest

Worked as an automation developer, taking on dual roles as both a project owner and a developer. As a project owner, I understood the ideas and needs of coworkers to ensure project requirements were met. As a developer, I delivered high-quality code to bring project ideas to life. I collaborated effectively within an agile team environment, utilizing Scrum methodologies to ensure timely and efficient project completion.
